Proprietary and Confidential Material:

Requesting Disclosure of Public Records
The City asks interested parties to refrain from requesting public disclosure of proposal records until a contract is executed. This measure is intended to shelter the solicitation process, particularly during the evaluation and selection process or in the event of a cancellation or re-solicitation. With this preference stated, the City will continue to be responsive to all requests for disclosure of public records as required by State Law.

Disclosing Material
The State of Washington’s Public Records Act (Release/Disclosure of Public Records). Under Washington State Law (reference RCW Chapter 42.56, the Public Records Act) all materials received or created by the City of Mountlake Terrace are considered public records. These records include but are not limited to proposal submittals, agreement documents, contract work product, or other material.

The State of Washington’s Public Records Act requires that public records must be promptly disclosed by the City upon request unless a judge rules that RCW or another Washington State statute specifically exempts records from disclosure. Exemptions are narrow and explicit and are listed in Washington State Law (Reference RCW 42.56 and RCW 19.108).

Proposer must be familiar with the Washington State Public Records Act and the limits of record disclosure exemptions. For more information, visit the Washington State Legislature’s website at http://www1.leg.wa.gov/LawsAndAgencyRules.

If you believe any records you are submitting to the City as part of your submittal or contract work product, are exempt from disclosure you can request that the City not release the records until the City notifies you about the pending disclosure.

Selection Process:
The selected attorney and/or firm will be required to undergo a reference check and comprehensive background investigation prior to appointment; agree to a review of his/her/their files with the Washington Bar Association and any other state he/she/they is or has been admitted to practice (documented history of discipline with the Bar Association is not acceptable); and provide proof of professional liability insurance to the City.

All proposals will be reviewed and screened with the top candidate(s) invited to an interview. Appointment will occur after approval of the professional services contract by the successful attorney/firm and the City Council. This Request for Qualifications and Proposal is not an offer of employment. The City reserves the right to vary from the qualifications requested, to consider applicants who do not meet the qualifications and to reject all applicants. If you should have any questions regarding the position of the selection process, please contact Scott Hugill, City Manager, 425.744.6208 or shugill@ci.mlt.wa.us.
